Training Unit 1

Introduction to the online-training about the ministry of sending

BEsent is a very practical and proven online-training about the MINISTRY OF SENDING in order to reach the unreached.

This first training is about

- Introduction to and presentation of the ministry of sending
- Introduction to and presentation of the online-training

What is the ministry of sending?

John 3:16-17
For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him.

...for God so loved the world...

Example: The overboiling milk
The overboiling milk pot is a good example to illustrate the love of God.
The boiling milk boils over and flows on the kitchen floor out to the balcony and from the 3rd floor it flows down the houses' balcony into the grass and from there into a mouse hole down into the deepest depth. God's love flows into the darkest places of the earth permeating all things.

God, our father in Heaven, knows EVERYBODY and hears every CRY in our hearts!
God's reaction and his answer to the LOST is always: LOVE (God loves the world)
Out of LOVE HE SENDS Jesus, the Savior.

Experience: In front of the father's eyes his child falls to death
The father goes hand in hand with his child for a winter walk. Suddenly, the child slips away, and the father is only left with the child's glove in his hand. The child slides on the snow directly into an abyss. The child can barely hold on to a cliff. The shocked father runs to the child, bends down, wants to grab its hand – and at that very moment the child lets go. Because the child saw the father, it thought: "Now everything is well…", and let go of his hands…

- So, God loved the world that he gave his one and only Son...
- The love does not end until it reaches the lost.

Romans 5:5-6
And hope does not put us to shame, because God's love has been poured out into our hearts through the Holy Spirit, who has been given to us. You see, at just the right time, when we were still powerless, Christ died for the ungodly.

If we really carry the love of God in our hearts, THIS LOVE COMPELLS US, SO WE BRING JESUS TO THE UNREACHED AND LOST PEOPLE.

2 Corinthians 5:14
For Christ's love compels us, because we are convinced that one died for all, and therefore all died.

Acts 4:12
Salvation is found in no one else, for there is no other name under heaven given to mankind by which we must be saved.

Personal experience of my new birth:
It was like a fire that came out of my Bible. At that very moment, I saw my personal life from the outside – all the sins, deeds and thoughts – like in a movie. Then I saw Heaven and Hell. Saved and lost. And I saw that I was lost. I was so shaken because a strong holiness burned inside of me – the fire of God. I then closed my Bible and then a voice said three times: open the Bible once again and read. So I read about Jesus – that he came to take away all sin. Then I knew: if that is true, then it is the only solution. So, I cried the name of Jesus aloud and asked him to grant me this redemption. An unspeakable joy rose up inside of me. And then voice spoke again: this forgiveness and joy is not only for you – but this redemption is for all people of this world and you shall pass it on!

Acts 4:18-20
Then they called them in again and commanded them not to speak or teach at all in the name of Jesus. But Peter and John replied, "Which is right in God's eyes: to listen to you, or to him? You be the judges! As for us, we cannot help speaking about what we have seen and heard."

➔ GOING to the UNREACHED/LOST and to bring them Jesus is a very IMPORTANT step of sending but it is about much MORE than just ONE step!!

The five big steps of sending

1) Requirements and preparations/training for the sending ministry

2) Go to the unreached and lost and bring them JESUS, the Gospel of the Kingdom of God

3) Stay with them, baptize them and make disciples of them

4) Start discipleship groups, spiritual families/communities of faith

5) Multiplication of disciples and of communities and begin Disciple Making Movements (or Disciple Multiplication Movements, DMM for short)

In order to reach the unreached, the ministry of sending is the most important!

What is this BEsent -Training about? BEsent is a TRAINING, it's not about doctrine or teaching

What is a training?

- ➔ TEACHING means = Hearing and knowledge transfer
- ➔ TRAINING means =
  1. Teaching
  2. Application
  3. Practice - Outreach

1.Teaching

That's the part where the topics are taught from the word of God and through the example of Jesus. That happens in the classroom.

2. Application

This part is about:

- the summary of what was heard in your own words
- processing and discussion
- the practice of what was heard, by "playing it out"
- Biggest focus on: thinking about where, when and with whom the learned lessons can be applied. If possible in smaller groups/teams

3. Outreach

In the end, it's about the final part of practice – it's about going out and applying the learned practically.

- Field training
- The best is obviously if someone with practical experience joins and shows us. And we, like the disciples of Jesus, can first watch, learn from it and finally put into practice.

➔ Training should become part of our lifestyle!

    Daily schedule/Weekly schedule/Monthly schedule The best is yet to come!

For this training to become FRUITFUL, a commitment is required:

- The participants must put the lessons into practice during the training
- After the training the sending must become a lifestyle (approximately 15h of effort each week= give 10 % of your time per day (Mo-Sat = 6x 2.4 = around 15 h) to the sending ministry)

Example: Girls overcome and go out

In the Himalayas girls went out to share the gospel. But they were still too scared because in that region it's not «normal» for girls/young women to evangelize. So, they prayed another 30 minutes in front of the house, then went into the first house, where they found a lame man (100kg heavy, 2m tall). Immediately they laid hands on him, he stood up to his feet and was totally healed!
